

Park Jae Kyeong
Computer Science & Engineering Student
Seoul National University

Email: stickman2@snu.ac.kr
GitHub: <https://github.com/p-jaekyeong>

Education
Seoul National University
B.S. in Computer Science & Engineering
2025 - Present

Skills
Programming: Python, C++, Java
Tools: Git, GitHub, GitHub Pages
Interests: Software Development, Artificial Intelligence, Problem Solving

Projects
Personal Website
- Built and deployed a personal website using HTML, CSS, GitHub Pages, and an AI coding tool.

Course Projects
- Completed programming assignments and course projects in computer science courses.

Experience / Activities
- Studying computer science fundamentals including programming, mathematics, and software development.

Courses I Plan to Take
- Data Structures
- Algorithms
- Computer Architecture
- Artificial Intelligence
